PATIENT INSTRUCTIONS

- On day of exam, please do not use deodorants, powders or perfumes. (These may show up on your mammogram).
- Please wear a two piece outfit, if possible.
- For the most accurate interpretation of your upcoming mammogram, it is very important to have your prior studies to compare. Not having your priors at the time of your exam may delay your results. **Please bring your prior studies to your appointment or call 530 898-0502 for assistance in obtaining your prior images if they were not performed at North State Imaging or Chico Breast Care Center.**
